Emmanuel Ogbuzuru

Frontend React Developer

Profile

As a dedicated and enthusiastic Frontend React developer, I am passionate about learning and growing in the field of frontend development. With a solid foundation in HTML, CSS, and JavaScript, I have recently focused on building web applications using React.js. I am eager to contribute to projects, collaborate with teams, and expand my skills as a frontend developer.

Skills

Frontend Development, React Components, UI/UX Basics, Responsive Design, Version Control, Problem Solving, Self-Motivated Learner.

Hobby

Programming, Reading books, Watching local news, Crypto trading, Cooking.
